Ms. Luly E. Massaro, Commission Clerk
Rhode Island Public Utilities Commission
89 Jefferson Boulevard
Warwick, Rhode Island 02888

Dear Ms. Massaro:

We are filing, herewith, for effect March 14, 2003, tariff material consisting of:

RI PUC No. 15

Part/Section	Revision of Page(s)	Original of Page(s)	Supplement to Page(s)
H/1	1	N/A	N/A
H/5	14 and 15	N/A	13

This filing modifies the Centrex tariff by eliminating references to "contracts" or "service agreements" and replacing those references with the words "term commitment". With the exception of Large System-specific Pricing Plans (LSPP), Centrex service is offered under Optional Payment Plans with rates dependent on the length of the system commitment and pursuant to the tariff. Use of the phrase "term commitment" rather than "contract" or "service agreement" provides consistency to the tariff and reflects more closely the terms under which non-LSPP Centrex is purchased. This revision reflects a change in terminology and has no impact on rates, regulations, or terms and conditions for Centrex Service.

This filing also corrects a typographical error in Part H, Sec. 5, Page 14, Paragraph 5.2.3.B.

There is no revenue effect associated with this filing.

If you have any questions regarding this filing, please contact Frances O'Neill-Cunha of my staff at 401 525-3560.

Enclosed are an original and nine copies of the tariff material. Please return a copy of this letter and the tariff pages marked "Duplicate" with your stamp of receipt.

Respectfully submitted,

Theresa L. O'Brien
